Growing Together: Turning Progress into Impact

July is a time to build on the progress we have made and transform our collective efforts into meaningful impact. At Vision University College, growth is driven by our commitment to learning, collaboration, and continuous improvement. Every achievement, big or small, reflects the dedication and teamwork of our students, staff, and academic community. As we move forward, let us embrace new opportunities, strengthen our partnerships, and continue striving for excellence. Together, we can turn our progress into lasting impact and create an even brighter future for our institution and our community.

JULY IN FOCUS

July Intake Orientation

Vision University College welcomed its July intake students through an engaging orientation programme featuring counselling, student sharing, performances, award presentations, and an oath-taking ceremony. The memorable day marked the beginning of their journey at Vision University College, as new students connected with one another and started their academic experience with confidence and excitement.

VISIONARIES

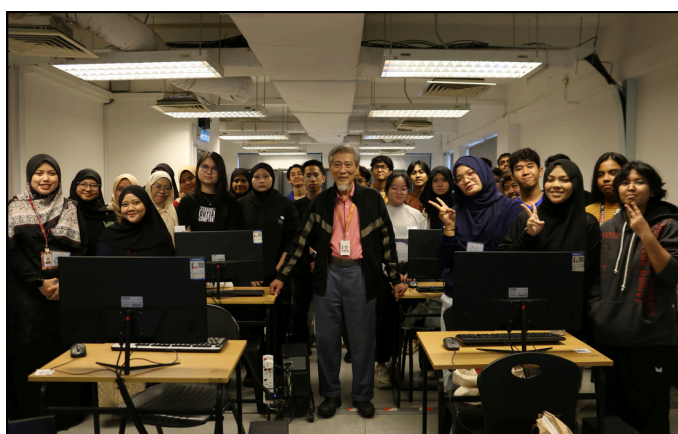

NEWSLETTER

Six Vision UC students recently represented the college at a 3-day, 2-night Youth Leadership Camp in Kalumpang, organised by MBPJ. We commend their proactive approach to personal development. Immersive experiences like this are vital in shaping the confident, capable, and forward thinking leaders we are proud to cultivate at Vision UC.

The Movie Night Programme was successfully conducted on Thursday, 16 July 2026, at the ECA Hall. The programme received encouraging participation, with 60 students attending and taking part in the activity. The programme provided students with an opportunity to relax, socialise, and strengthen connections beyond the classroom.

Vision University College recently hosted an inspiring "L.E.T.'S A.I." session by Professor Emeritus Dr. Hamzah A. Rahman, providing students with valuable insights into the growing role of Artificial Intelligence in education, the workplace, and daily life. The session encouraged students to think critically, use AI responsibly, and understand how AI is transforming industries such as healthcare, business, IT, and logistics.

The Vision Ping Pong Championship 2026 was successfully held on 30 July 2026 at the ECA Hall, with a total of 16 participants. The tournament was conducted smoothly and successfully achieved its objectives of promoting student engagement, encouraging healthy competition, and fostering sportsmanship among students.
